Re : **BATING FILIPINO**

To reduce the risk of transferring communicable diseases, The House of Representatives has adopted a resolution urging the Philippine government to promote a new customary gesture as an alternative to the traditional, well-meaning and innocent gesture of handshake.

Authored by Marikina City Rep, Bayani Fernando, House Resolution No. 408 urges the promotion of the simple act of gracefully laying the palm of the right hand over the center of the chest with a simultaneous slight head nod as a customary Filipino gesture of goodwill, praise and respect.

AsianLanders are encouraged to practice and promote this Filipino gesture, especially during this time of the COVID-19 pandemic.
