Dear AsianLanders,

Let's look back into the year that was and, with great hope and optimism, S.P.R.I.N.G. into the new normal of 2021!

We are pleased to inform you that our annual corporate kick-off is scheduled on February 9 and 10, 2021, Tuesday and Wednesday. Venue will be at The Clubhouse at Dream Crest Private Residences.

To adhere to IATF guidelines on gatherings during MGCQ and observe maximum physical distancing, and since we will continue regular office and site operations during these days, we scheduled a batch system for attendees of this event. Everyone should attend the batch where they are listed in.

Kindly find attached the details of the 1-hour program, list of employee attendees per batch and shuttle service schedules for your guidance. Individual food packs will be distributed after the program for each batch for consumption back in the office.

If you have concerns, please coordinate with anyone from HR anytime.
